Subject: Re: two other one other things!

I only deleted chunks of paragraphs and changed about three words to make it flow. Plus added info about the extension. Please let me know if there are comments, other eyeballs are always helpful! I'm aiming to try and get this to the Std Times by noon, hopefully it can go in Sundays at that rate.

Personally I think its the latter - an abbreviated announcement that 1) the comment period is extended and 2) a Q&A session will be held on 9/24 at 7 pm at the trailer. It should also reference the AR and the web site. Anyone else want to chime in?

I'll take care of that today! With the paper ad, do we want to do the exact same text with additional info about the extended comment period and meeting, or a much abbreviated version that doesn't go into any detail about what the ESD is about and just directs people to the admin record...

Subject	two other one other things!

Jeanethe - looking at the web site just now reminds me that we also need to change the dates of the comment period on the main page of the web site. We also need to be sure that the new notice in the paper announces the revised comment period as well as the Q&A session at the trailer. Details, details!
